

□ Barrage

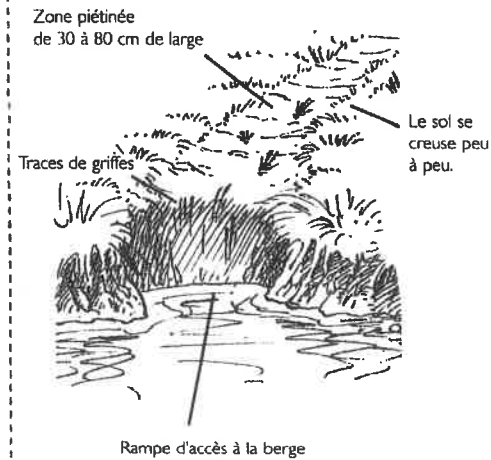

12

□ Copeaux

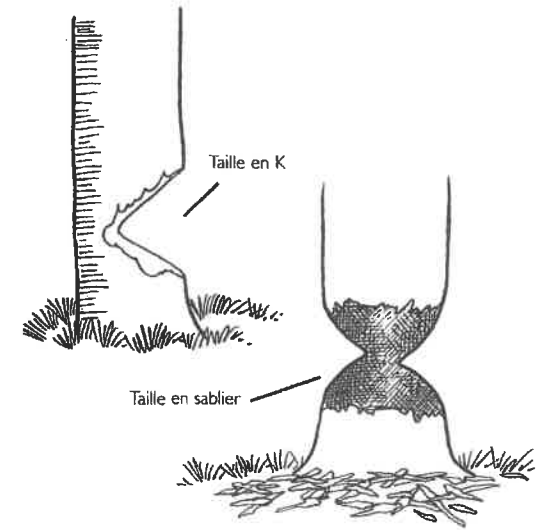

5

□ Coulées et toboggans

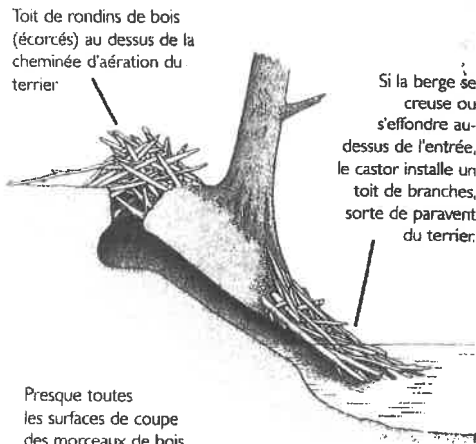

14

□ Arbre en cours d'abattage

3

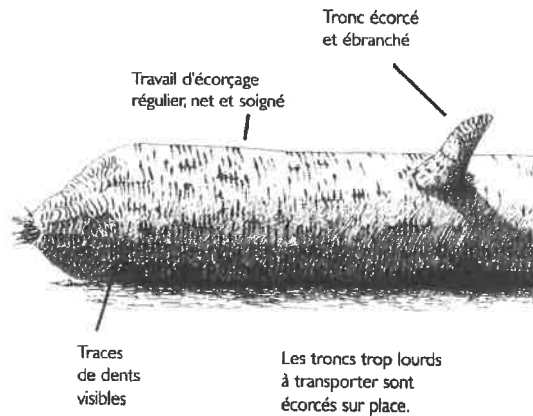

□ Terrier hutte

Presque toutes les surfaces de coupe des morceaux de bois utilisés portent les marques de dents du castor.

10

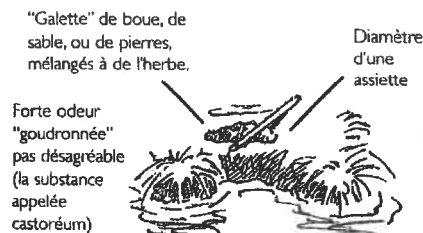

□ Arbre abattu écorcé

Les troncs trop lourds à transporter sont écorcés sur place.

7

□ La butte à castoréum

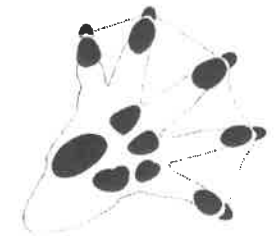

Venez participer aux animations « Castor » organisées sur le territoire !
